

ThinComputeInterface

```
classDiagram
    ThinComputeInterface <|-- Solver
    Solver <|-- CDASolver
    Solver <|-- FakeSolver
    MCFSSolver <|-- CDASolver
```

The diagram illustrates a class hierarchy. At the top is the 'ThinComputeInterface' box. Below it is the 'Solver' box, with an upward-pointing arrow from 'Solver' to 'ThinComputeInterface'. Below 'Solver' are two boxes: 'CDASolver' on the left and 'FakeSolver' on the right. A horizontal line connects the bottom of 'CDASolver' and 'FakeSolver', with a vertical line extending upwards from the center of this horizontal line to the bottom of the 'Solver' box. At the bottom left is the 'MCFSSolver< MCFC >' box, with an upward-pointing arrow from 'MCFSSolver< MCFC >' to 'CDASolver'.
